Shores of Leech Lake has rental cottages, full marina, and RV sites. Shores has spectacular views of Leech Lake, sandy swimming beach, access to the Bike trail, and proximity to Walker that make Shores unique.

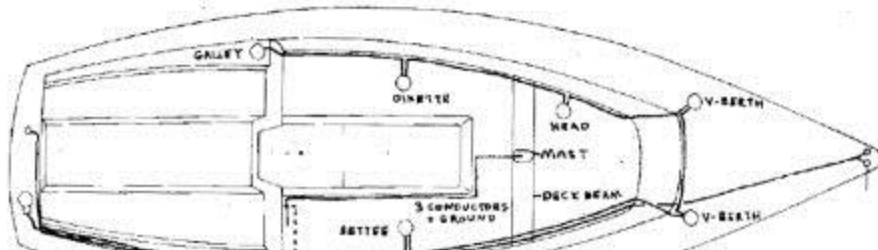

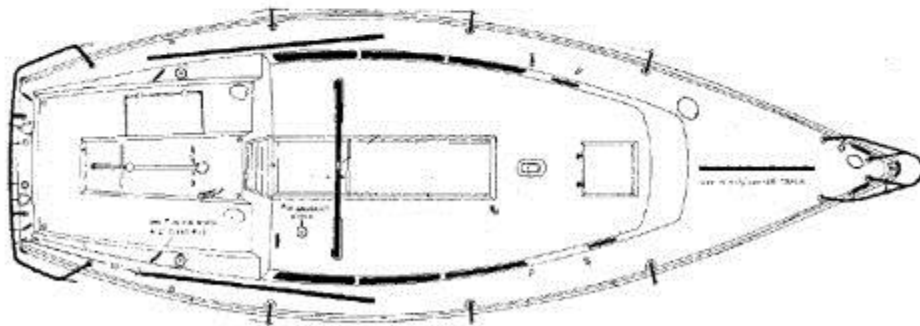

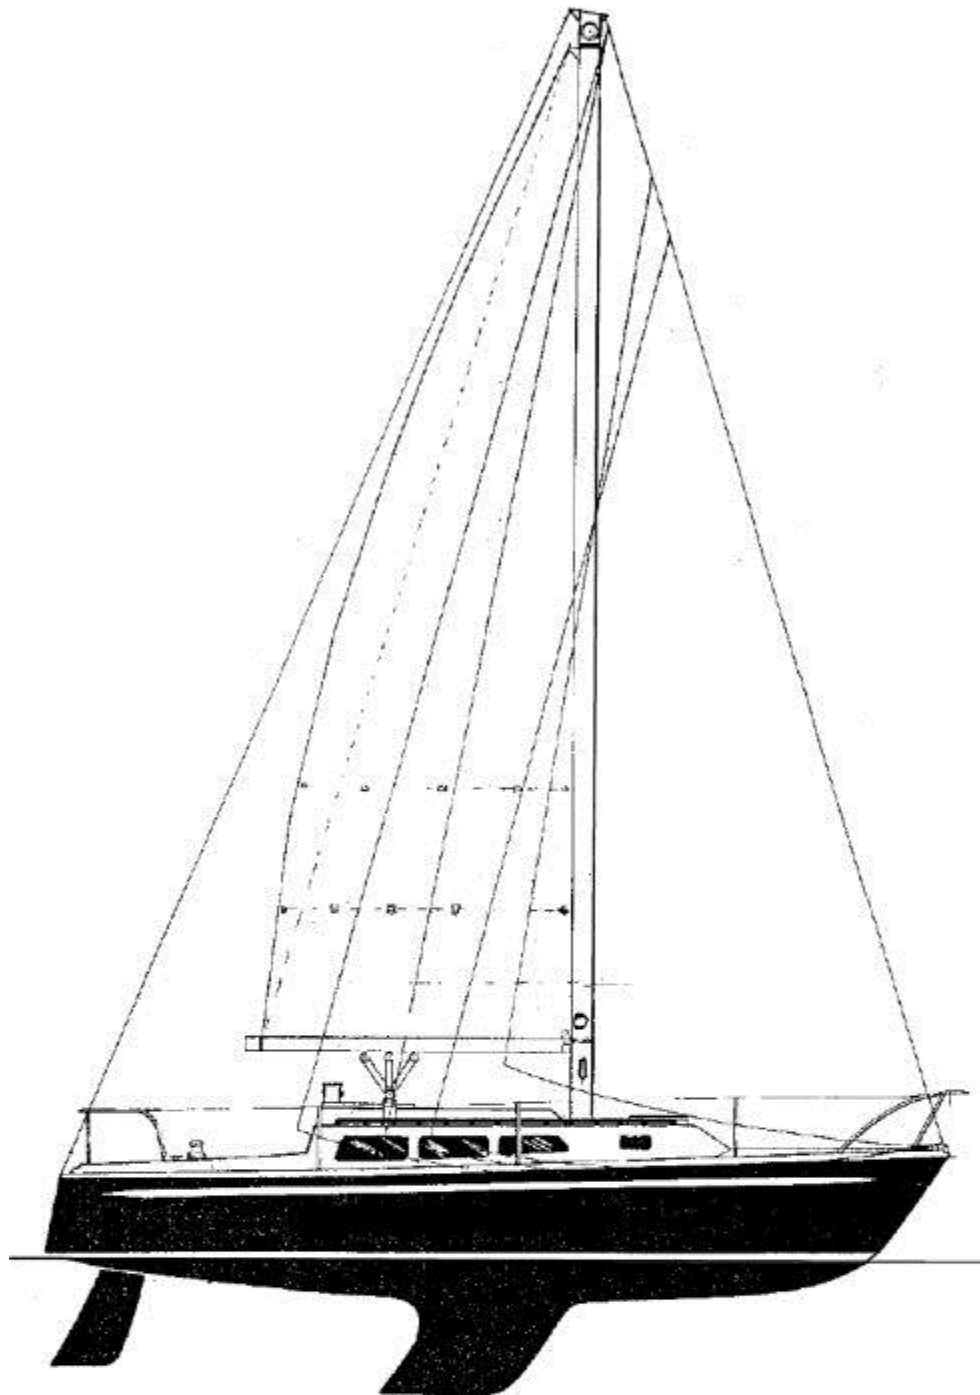

The sailing community here is what attracted us to this place.

Shores of Leech Lake has more than 2,000 feet of shoreline on Walker Bay.

We consider this like an RV on the water with so many extras, biking, kayaking, hiking, fishing, and just enjoying the great outdoors at the best resort on Leech Lake!
